The Producer Bucks Rewards program supports our producers by encouraging riders to participate in Poker Rodeo™ and American Ranch Rodeo events. Producers earn Producer Bucks at the rate of \$1 per rider per ride in any sport using QuickArena™ software. Those Producer Bucks are valid immediately after the event invoice is paid. The event invoice must be paid within seven days of the event with uploaded event data or all Producer Bucks are permanently forfeited. Producer Bucks must be used within 365 days of being earned or they are forfeited. Producer Bucks available balances may be viewed 24/7/365 by logging in at quickarena.com. Producers and immediate family are not eligible to win Producer Bucks prizes. Producer Bucks prize winners must be members of Poker Rodeo, American Ranch Sorting, or our affiliated associations. For more information, see quickarena.com/producerbucks.

PRODUCER APPRECIATION

QuickArena software is designed to help our producers run fast, accurate, and exciting events. Become a Top Producer by running 2500 teams in any of Quick Arena's sports combined (within a 365 day period) and we will host you and a guest aboard an Alaskan cruise or equivalent adventure. Top Producers must maintain 100% good standing status (on-time payment & data upload within 7 days of each event).
